

Shelby County Public Library  
Genealogy and History Dept. Presents

**Family Search.com Workshop**

**May 24, 2017**

**7:00—8:30pm**

Family Search is a free website with many different family trees, books, and resources for starting your genealogy project.

**Learn how to:**

- . Build your own family tree**
- . Connect family member though searching**
  - . Locate reliable sources**
  - . Add pictures and stories to your tree**

We will be working on computers... some will be provided or bring your own if you would like.
